"Shoot for Recovery is our second largest fundraiser and we are so grateful for the support of our sponsors and shooters that help make this event a success each and every year. All of the funds go to support the various supportive sober housing programs that Pay It Forward provides for those we serve. In 2023 this meant over \$155,000 in move-in assistance, 231 men and women calling our dorms home and 63 ladies participating in our H.O.P.E. program. Every single dollar makes a difference. So I want to say thank you for your support and faith in our life-changing programs. We couldn't do what we do without you. To register or learn more, visit our website or scan this handy QR code."
